Song - Brother By Need to Breathe

Ramblers in the wilderness, We can't find what we need
Get a little restless from the searching
get a little worn down in between
Like a bull chasing the matador is the man left to his own schemes
Everybody needs someone beside them shining like a lighthouse from the sea

CHORUS:
Brother let me be your shelter I'll never leave you all alone
I can be the one you call, when you're low oo ooo
Brother let me be your fortress when the night winds are driving on
Be the one to light the way, bring you ho-o-ome

Face down in the desert now there's a cage locked around my heart
I found a way to drop the keys where my failures were, now my hands can't reach that far
I ain't made for a rivalry I could never take the world alone
I know that in my weakness I am strong, but it's your love that brings me home

CHORUS

And when you call and need me near, Saying where'd you go?
Brother I'm right here. An don those days when the sky begins to fall
You're the blood of my blood, we an get through it all

Brother let me be your shelter I'll never leave you all alone
I can be the one you call, when you're low o o ooo
Brother let me be your fortress when the night winds are driving on
Be the one to light the way, bring you ho-o-ome

CHORUS

Be the one to light the way, bring you home

Praise

Every time you leave home,
Another road takes you
Into a world you were never in.

New strangers on other paths await.
New places that have never seen you
Will startle a little at your entry.
Old places that know you well
Will pretend nothing
Changed since your last visit.

When you travel, you find yourself
Alone in a different way,
More attentive now
To the self you bring along,
Your more subtle eye watching
You abroad; and how what meets you
Touches that part of the heart
That lies low at home:

How you unexpectedly attune
To the timbre in some voice,
Opening in conversation
You want to take in
To where your longing
Has pressed hard enough
Inward, on some unsaid dark,
To create a crystal of insight
You could not have known
You needed
To illuminate
Your way.

When you travel,
A new silence
Goes with you,
And if you listen,
You will hear

What your heart would
Love to say.

May you travel in an awakened way,
Gathered wisely into your inner ground;
That you may not waste the invitations
Which wait along the way to transform you.

Song - Come Alive By Lauren Daigle

Through the eyes of man it seems there's so much we have lost
As we look down the road where all the prodigals have walked
And one by one the enemy has whispered lies and led them off as slaves

But we know that You are God, Yours is the victory
We know there is more to come that we may not yet see
So with the faith You've given us we step into the valley unafraid

CHORUS:
As we call out to dry bones, come alive, come alive
We call out to dead hearts, come alive, come alive
Up out of the ashes, let us see an army rise
We call out to dry bones come alive (yeah)

God of endless mercy, God of unrelenting love
Rescue every daughter bring us back the wayward sons
And by Your spirit breathe upon them show the world that You alone can save
You alone can save

CHORUS

So breathe, oh breath of God, Now breathe, oh breath of God
Breathe, oh breath of God Now breathe (repeat)

CHORUS

We call out to dry bones come alive, oh Come alive

Song - Pili Paʻa

CHORUS: Pili paʻa, no kaua, mekealoha, a mau loa
We come together, in love and hope. We stand as One.

And in our oneness we are called to be the children of the Lord,
one in our hopes, one in our faith, one in our Love. CHORUS

And in our walk we are called to be the servants of the Lord,
to visit the sick, to clothe the poor, to feed the lost. CHORUS

We share this prayer, prayer of thanks to bless the Bread and cup of Wine,
fruit of the vine, grain of the fields, work of our hands. CHORUS

And as we go forth from this place, we go as signs of a living God. Signs of new hope, signs of new life, of a new day. Pili paʻa, no kaua, mekealoha, a mau loa, We come together, in love and hope. We stand as One. (2X)

Prayers Gracious Lord, whenever we err,
Fill our hearts with your love.
When we wound or are wounded,
Fill our hearts with your love.
When tempted to judge,
Fill our hearts with your love.
Wherever there is hurt, loss, or despair,
Fill our world with your love.

Here, the people may add particular intercessions or thanksgivings.

Make us faithful instruments of your peace.
May we fill our world with your love.

Lord's Prayer Our Father, who art in heaven,
hallowed be thy Name,
thy kingdom come,
thy will be done,
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those
who trespass against us.
And lead us not into temptation,
but deliver us from evil.
For thine is the kingdom,
and the power, and the glory,
for ever and ever. Amen.

Prayer Gracious God, support us all the day long, until the shadows lengthen, and the evening comes, and the busy world is hushed, and the fever of life is over, and our work is done. Then in your mercy, grant us a safe lodging, and a holy rest, and peace at the last. **Amen**.

Going Out Listen and hear:
Be still and know.

Song - One Day By Matisyahu and Bruno Mars

Sometimes I lay under the moon, I thank God I'm breathing
Then I pray don't take me soon, 'cause I am here for a reason

Sometimes in my tears I drown, but I never let it get me down
So when negativity surrounds, I know someday it'll all turn around because

All my life I've been waiting for, I've been praying for, for the people to say
That we don't want to fight no more, there'll be no more wars, and our children will play

One day, one day, one day, oh oh oh
One day, one day, one day, oh oh oh

It's not about win or lose, 'cause we all lose when they feed on the
souls of the innocent, blood-drenched pavement, keep on movin' through the waters say ragin'

In this maze you could lose your way, your way
I might drive you crazy, but don't let it phase you no way, no way

Sometimes in my tears I drown, but I never let it get me down
So when negativity surrounds, I know someday it'll all turn around because

One day this all will change, treat people the same, stop with the violence, down with the hate

One day we'll all be free, and proud to be under the same sun singing songs of freedom like

Wye oh Wye oh oh oh
Wye oh Wye oh oh oh

All my life I've been waiting for, I've been praying for, for the people to say
That we don't want to fight no more, there'll be no more wars, and our children will play

One day, one day, one day, oh oh oh
One day, one day, one day, oh oh oh
One day, one day, one day, oh oh oh
One day, one day, one day, oh oh oh

[Intro]

G D Em C

[Verse 1]

G D Em C
Sometimes I lay under the moon, I thank God I'm breathing
G D Em C
Then I pray don't take me soon, 'cause I am here for a reason

[Pre-Chorus]

G D Em C
Sometimes in my tears I drown, but I never let it get me down
G D Em C
So when negativity surrounds, I know someday it'll all turn around because

[Chorus]

G D Em C
All my life I've been waiting for, I've been praying for, for the people to say
G D Em C
That we don't wanna fight no more, there'll be no more wars, and our children will play
G D Em C
One day, one day, one day, oh oh oh
G D Em C
One day, one day, one day, oh oh oh

[Verse 2]
G D Em C
It's not about win or lose, 'cause we all lose when they feed on the
G D Em C
Souls of the innocent, blood-drenched pavement, keep on movin' though the waters stay ragin'

G D Em C
In this maze you could lose your way, your way
G D Em C
It might drive you crazy, but don't let it phase you no way, no way

[Pre-Chorus]
[Chorus]

[Verse 3]
G D Em C
One day this all will change, treat people the same, stop with the violence, down with the hate
G D Em C
One day we'll all be free, and proud to be under the same sun singing songs of freedom like

G D Em C
Wye oh Wye oh oh oh
G D Em C
Wye oh Wye oh oh oh

All my life I've been waiting for, I've been praying for, for the people to say
